Date: September 8, 2025

To: Miovision Attn: Matt Ignor, VP Operations
137 Glasgow Street, Suite 110 Kitchener, ON, Canada N2G 4X8
Subject: Confirmation of Final Assembly and Test for Miovision Products

This letter serves to formally confirm that Creation Technologies performs the final assembly and test for the following Miovision products at our facility located in Newark, New York, in full compliance with applicable Buy America Final Assembly requirements.

The products for which we conduct these manufacturing services are: Miovision CORE Products
At our Newark, New York facility, 328 Silver Hill Road, Newark, NY 14513 we complete all processes required for the final assembly of these products, including integration of all components and enclosures. Following assembly, we conduct a comprehensive final test to ensure each product meets the stringent quality and performance specifications defined by Miovision.

This letter, along with our existing technical documentation and manufacturing process records, can be used to demonstrate your compliance with the final assembly requirements.

If you require any further information or additional technical documentation, please do not hesitate to contact us.

Sincerely,

Dr. Austin Flannery
